March 2024

Welcome Spring

It's officially spring! At the Roby Family of Companies, we are excited about the promise of warm weather, stretching out in some of our favorite outdoor spaces and getting our hands dirty with your spring projects.

Space to Stretch Out

We are excited to show off this award-winning outdoor living space that we know will be bustling with activity this spring. Prior to renovation, the existing rear yard was sunny and hot with poor drainage. The brick terrace was small and impractical without shade or comfortable spaces. The new and improved space includes several outdoor "rooms" including a free-standing pavilion /

living room, open terrace and attached dining porch, all with an extensive drainage system concealed underneath.

Patio Places to Plant Your Feet

Another award-winning project is the new Bossy Beulah's Fort Mill location completed by Roby Commercial. This 1,822 square-foot building was originally home to Coleman's Wrecker, an auto mechanic shop and gas station. One of the main goals of this project was to pay homage to the building's rich history and character while bringing the restaurant's vision and unique brand to life. On the exterior, an outdoor patio with picnic tables, overflowing planter boxes and vibrant paint colors are a welcomed addition to Fort Mill's growing landscape.

Fill your spring schedule with visits to Bossy Beulah's and these additional award-winning projects with patio spaces – Goldie's and Protagonist. We hope you enjoy the fresh air!

Spring Cleaning

While you're hitting the patio, count on our professionals to handle your spring-cleaning list.

Count on our Roby Services electricians, HVAC techs and plumbers for your small repairs or routine maintenance items.

For larger renovation projects, like an upgraded outdoor living space, rely on our Andrew Roby team.

We'll happily get to work while you soak up the sun!

Sweet Sixteen

We are in the thick of March Madness with the Sweet Sixteen teams hitting the courts tomorrow! As you're cheering them on (or lamenting over your busted bracket), mark your calendar for our 2024 Pitchin' for Wishes Cornhole Tourney, which was inspired by March Madness and modeled after the NCAA bracket-style tournament. This year's event, scheduled for Saturday, November 2nd at Freedom Park, will be our sweet 16th and will benefit Make-A-Wish Central & Western NC. We'd love to celebrate 16 years of pitchin' in with you and your family!

Have You Heard?

Behind the scenes, the Roby Family of Companies has been busy building a home management and documentation app that provides users with one convenient and accessible place to organize all their property's home facts and maintenance information. Users have the ability to upload home images, documents, service provider records and even paint colors, and can use the app to seamlessly schedule any needed home repairs, routine services and more. Click here to learn more about the full features of the app. Download today!

Meet the Family

Andrew Roby was founded in 1950 and is a third-generation family-owned company.
