December 2023

Wishing You Joy this Holiday Season

From the [Roby Family of Companies](#) to yours, we wish you a holiday season filled with all the joy and happiness this time of year can bring!

As we approach the end of 2023, we'd like to thank all clients, industry partners, family and friends for a wonderful year. To our clients, it is a joy to serve you and bring your visions to life. Thank you for welcoming us into your homes and businesses and entrusting us with the work. To all our industry partners, it is a joy to work alongside you. We greatly appreciate your partnership and all the hard work you put into each and every Roby project.

3rd Quarter Roby Rockstar

Congratulations to Jeff Robinette (aka “Mouse”), our 3rd quarter Roby Rock Star of 2023! Jeff has been a member of the [Roby Family of Companies](#) for more than 30 years. It is not often you find a colleague who is as loyal as Jeff—not only to the company, but to many longtime, multigenerational clients as well. He is a hard worker, dependable in every way and the “go to” guy for so many things. When any need arises, the answer is typically “just call Jeff” who is always willing to get his hands dirty and get the job done.

Thank you, Jeff. It is a *joy* to have you on our team!

Andrew Roby Asheville Office Expands

Our [Andrew Roby](#) Asheville office celebrated its one-year anniversary in the market this fall. General Manager, Luke Nayes, is in the final stages of completing a custom home among other exciting renovation projects. He also welcomed his first employee and Executive Superintendent, Mr. Christian Najafi. Luke and Christian are longtime friends who met at Appalachian State University where they both received Bachelor of Science degrees in Building Science with concentrations in Construction Management. Along with his formal education, Christian has many

years of construction experience, an entrepreneurial spirit and impressive work ethic. We have full confidence that he and Luke will make an exceptional team!

Now Servicing Greenville, SC

Our **Roby Services** division also expanded this year with a third office in Greenville, SC. Leading the charge is Chad Logsdon, who joined the team with more than a dozen years' experience in the Greenville area as an electrician, most recently as a field supervisor.

Chad reports that the holidays are a *joy* in Greenville. *Country Living* magazine recently named Greenville one of the 30 most magical Christmas towns in the U.S. The article said, "Want to feel like you're walking around on the set of a Hallmark Christmas movie? Then you'll want to head to Greenville, SC, where the sidewalks twinkle with lights as Santa's electric sleigh drives by with an elf in tow."

Twinkling lights and Santa's electric sleigh are a perfect welcome to Greenville for [Roby Services](#)! For all your electrical, HVAC and plumbing needs in Charlotte, Boone and now Greenville, [Roby Services](#) is your one stop shop.

Record Setting Wishes Bring Joy

In November, we hosted our 15th annual [Pitchin' for Wishes Cornhole Tourney](#) for [Make-A-Wish Central & Western NC](#). Thanks to a record-setting number of event sponsors and donors, the event raised enough funds to grant the wishes of 40 local children with critical illnesses. In addition to the 40 Wish Kids, 40 families, 40 communities, 40 Wish Granter volunteers, and countless others will be impacted by the *joy* of a wish-come-true.

One of the biggest *joys* of the day was meeting Wish Kid Sam who received his wish to record in a professional music studio in Nashville. Sam shared details about his wish and even performed one of his songs for us. We look forward to getting to know Sam better on an upcoming episode of our ["At Home with Roby"](#) radio show. Tune in to WBT Sunday, December 31st at 9am to "meet" Sam and learn more about his budding music career.

Drive-Thru Holiday Joy

With our annual holiday party already in the books, we have one final company celebration to look forward to and close out the year - our 4th annual breakfast drive-thru for our field staff. We started this tradition in 2020 when COVID canceled our usual party plans. It was so much fun that we've kept it going! It is an easy way to visit with our field staff, treat them to a warm biscuit and cup of coffee before they head out to their jobsites. It is a joy catching up with these hardworking folks who are the muscle behind so many Roby projects.

Meet the Family

Andrew Roby was founded in 1950 and is a third-generation family-owned company. What started as a simple, one man remodeling firm in Charlotte, NC has expanded to the mountains with offices in Asheville and Boone, NC. Specializing in custom homes, full home remodels, kitchen and bath renovations, and handyman services, **Andrew Roby** has been “making it home” for happy homeowners for more than 70 years.

For smaller repairs or emergency services, meet **Roby Services**. With one call to **Roby Services**, you can have the best electricians, heating and cooling techs and plumbers at your door. Our licensed and experienced technicians can handle routine or unexpected maintenance tasks of any size and are available to you 24 hours a day, 7 days a week.

Founded in 2009, **Roby Commercial** is focused exclusively on commercial projects crafted with the same exceptional quality and care our clients have enjoyed since 1950.

Roby Realty, established in 2015, brings over five decades of experience in both residential and commercial real estate, focused on the premier properties available within the greater Charlotte area.

Each fall, the Roby Family of Companies hosts its annual **Pitchin' for Wishes Cornhole Tournament** to raise funds for **Make-A-Wish® Central & Western NC**. Over the last 15 years, thanks to generous sponsors, donors and players, the event has raised over \$2 million for the foundation and other local charities.

Want to get to know us better? Visit us online at **www.AndrewRoby.com**, follow us on **Facebook** and **Instagram**, or tune in to our weekly "**At Home with Roby**" radio show Sundays at 9am on News Talk 1110 and 99.3 WBT.
