December 2022

Cause for Celebration

Happy Holidays from the **[Roby Family of Companies](#)**! As we approach the end of 2022, we'd like to take this opportunity to reflect on the people who made this year so special, and that includes you! Today we celebrate our outstanding team, strong network of clients and industry partners, reaching new communities and helping others.

We Celebrate Our Team

The **Roby Family of Companies** is made up of an incredible team of hardworking people. Each quarter, we honor one individual who has gone above and beyond for their clients and peers. Our 3rd quarter Roby Rock Star is **Roby Commercial** Superintendent Vince Malta. Here's what Vince's co-workers had to say...

"Vince is a great spokesperson for the company and an encouragement to be around."

"Vince is always available to help and is very hands on in all that he does."

"The owners of the space could not say enough good things about how Vince interacted with them, and his commitment to keep them operating at the highest capacity as the project progressed. Vince was able to drive this project without any hiccups and finished before the end date."

Vince Malta

We'd also like celebrate Rob Dabrowiak who was named "Superintendent of the Year" at the Lake Norman HBA's annual "Best of the Lake" awards. Rob is currently serving as the Executive Super for a lakefront custom home project on a 2-acre property that also includes a guest house, greenhouse / garage and other buildings. Over the last 4 years, the size and scope of this project has grown tremendously, with Rob onsite daily managing it all. Here's what our happy homeowner had to say...

“Rob is an excellent communicator and dependable in each and every way.”

“Rob is creative, resourceful and innovative. By virtue of the different phases of this project’s development, ongoing modifications continuously arise. Rob greets these changes and challenges with grace and a willingness to help.”

“Rob’s encyclopedic knowledge of codes and techniques is invaluable.”

Rob Dabrowiak

Congratulations, Vince and Rob. It is easy to celebrate good folks like you!

We Celebrate Our Clients & Partners

The [Roby Family of Companies](#) extends far beyond our team of 137 employees. Over our 72 years in business, we have built incredibly strong, family-like relationships with many of our customers and clients, as well as our longtime industry partners and subcontractors.

Thank you to all of you who opened your doors to us this year. We understand the level of trust it takes to welcome us into your homes, and we are grateful for your business and the friendships that were built along the way.

We are also appreciative of the many wonderful subcontractors and vendors we work hand-in-hand with on each and every project. Because of your hard work, sweat and muscle, each and every [Roby](#) project shines!

We Celebrate Reaching New Communities

This fall, [Andrew Roby](#) expanded to Asheville, NC! Having worked for a number of clients in the area over the years through our Charlotte and Boone offices, the timing was finally right to establish a more permanent presence in the area to serve Asheville, Hendersonville, Brevard and surrounding. Luke Naves, who joined the Roby Family in 2018, is leading the charge. During his years in the [Andrew Roby](#) Charlotte office, Luke worked as a Project Manager and Executive Superintendent, and completed both custom home construction and renovation projects for the company. He knows the ins and outs of the business and is fully equipped to lead our efforts in Asheville.

We Celebrate Helping Others

On Saturday, Nov. 5th, we celebrated 15 years of giving back through our annual [Pitchin' for Wishes Cornhole Tourney](#). Thanks to strong support from our subcontractors, clients, family and friends, this year's tourney raised over \$224,000 with every penny going directly to [Make-A-Wish Central & Western NC](#). With this money, the organization will be able to grant the wishes of 29 local children with critical illnesses. That's certainly something to celebrate!
