The summer season can be especially hard on a plumbing system. With all the kids at home, appliances, tubs, showers, sinks, and toilets are working overtime. For routine repairs or emergency services, rely on the "Best of the Best"! Our experienced and professional plumbers can expertly solve all your home's drips, leaks and clogs while you sit back and enjoy the sunshine.

Roby Rock Star

Roby Services was voted “Best of the Best” because our people are the “Best of the Best”, including our first Roby Rock Star of 2023, Brandon Kennard. Brandon is a plumbing expert with over 23 years of experience. He is a well-respected leader within our plumbing, electrical and HVAC trades, often using his experience and knowledge to educate and train his teammates.

Brandon never fails to put our customers first, even sacrificing time with his family over the Christmas holiday when Charlotte’s deep freeze left so many in our community with frozen pipes and plumbing issues. Brandon willingly delayed his vacation time and responded to several emergency calls to help customers in need. In fact, he is always willing to take after-hours / emergency calls to help our customers and his team.

Thank you, Brandon, and congratulations. We are so appreciative of your dedication to our company, and most importantly, our clients.

10 Wishes & Counting

The [Roby Family of Companies'](#) spring calendar has been bustling with activity including our first cornhole tourney of 2023. On Friday, April 14th we joined our [Pitchin' for Wishes](#) co-host, Harris Teeter, for a full day of cornhole with their associates and vendors. The event welcomed 72 teams and raised \$75,000 for [Make-A-Wish Central & Western NC](#), which will help grant the wishes of 10 local children.

We love teaming up with Harris Teeter each year to grant wishes for critically ill children and look forward to adding to this wish count at [Pitchin' for Wishes](#) this fall. Join us Saturday, Nov. 4th at Freedom Park to be a part of the fun. For information on [sponsorship opportunities](#) and other ways you can “pitch in” to support the event and [Make-A-Wish](#), click [here](#).
